

Practical 4**Problem Definition**

Add dynamic UI components such as collapsible FAQ, modal popup, image/content slider, notification banner, hamburger menu, and light/dark theme switcher using JavaScript. Key Questions / Analysis / Interpretation 1. How are DOM elements selected and modified? 2. Are event listeners attached correctly? 3. Is localStorage used for remembering theme choice? 4. Does interactivity improve usability without breaking accessibility? Key Skills to be Addressed DOM selection, event handling, class manipulation, localStorage, basic animation Applications Interactive dashboards and dynamic frontend behaviour Learning Outcome Students will apply JavaScript to enhance user experience and client-side interactivity. CO Mapping CO3, CO4 Dataset/Test Data Static FAQ/event content Tools/Technology to be Used JavaScript ES6+, HTML5, CSS3, browser dev tools Total Hours Implementation: 4 hours | Total engagement: 6 hours Post Laboratory Work Description Submit live demo and source-code explanation. Evaluation Strategy Including Viva DOM logic, event handling correctness, usability, and browser console testing. Advanced/Intermediate Extension Intermediate: Add transition effects to cards/buttons. Advanced: Store user UI preferences in localStorage and restore them on page load.

Screenshot:-

25DCS130

The image displays two screenshots of a web application's 'Contact Us' page, demonstrating a light/dark mode toggle. Both screenshots feature a green top bar with the text 'Welcome to Student Hub! We are happy to help you.' and a 'Close' button. Below this is a blue header bar with 'Contact Us' on the left, and 'Home', 'FAQ', and a 'Dark Mode' (or 'Light Mode') toggle button on the right. The main content area contains a white (or dark) form titled 'Send us a message' with input fields for 'Name', 'Email', and 'Message', and a 'Send Message' button.

Light Mode Screenshot:

- Header: Blue bar with 'Contact Us' and 'Dark Mode' toggle.
- Form: White box on a light gray background.
- Inputs: 'Name', 'Email', and 'Message' fields.
- Button: 'Send Message'.

Dark Mode Screenshot:

- Header: Blue bar with 'Contact Us' and 'Light Mode' toggle.
- Form: Dark gray box on a dark background.
- Inputs: 'Name', 'Email', and 'Message' fields.
- Button: 'Send Message'.
